SPANISH WAR SOLDIERS.

The veterans of the Spanish-American war and the Philippines insurrection held a largely attended reunion tonight and camp-fire at their armory on Ellis street. Previous to the arrival of their guests. the election of officers was held with the following results: Commander-inchief, General Owen Summers, of Oregon. senior vice-commander, Major B. T. Sime, California; junior vice-commander Col. J. L. McClintock, of Arizona; judge advocate general, Gen. W. P. of Kansas; surgeon general, Major E. S. Brown, of Washington; chaplain general Rev. Joseph S. Woolley, of Rhode Island; officer of the day, Lieut, L. Hartman, of Idaho. The adjutant general and quartermaster general are to be appointed by the commander-in-chief.

A resolution was adopted declaring strongly in favor of the consolidation of all organizations of all veterans of the Spanish wars, and Rev. Woolley was chosen as a delegate to eastern meetings of the the various societies to urge con-

The camp-fire was attended by Governor Pard and staff and a number of prominent eastern visitors.

JURY IS SECURED.

Trial of William Sullivan for Bribery Has Begun.

Jefferson City, Mo., Aug. 19.-The trial of William Sullivan, under Indictment on the charge of soliciting a bribe of today's procession was the measured and \$4,500 from a representative of Baking was begun here today before special There were many still vigorous in Judge H C. Thomas. The jury was seline but they waited for their weaker cured without delay. It is made up of seven farmers, two carpenters, a state house employe, a clerk and an engineer. Whitney Layton, representative of the Baking Powder interests, the witness upon whom the prosecution depends chiefly, after festifying to the fast that he atthe Wisconsin delegation could not be tended the legislature last winter trying His guit grew slower from to secure the repeal of the pure food

"I met Senator Sullivan in the larbe companions. Two civilians stepped from room back of the senate cloak room. the spectators and led him out of the He said he needed three votes to get the bill that we wanted passed. He said that for the sum of \$4,500 he could carry two other votes and his own for the repeal of the law."

"Who were the other senators?" "He gave me to understand that Senator Smith was one of the others. He said he would see Smith and go into the matter further.'

Layton then told of Sullivan, Smith and himself going to the Madison House and added: "Just then Senator Farris came in and Senator Smith stepped over and joined Senator Farris, I talked to bread, and so on indefinitely. There was semantic Senator Smith later after Smith had something distinctive to each group. The talked with Farris." talked with Farris.

SHACKLED

PRISONER EFFECTS A REMARKA. BLE ESCAPE ON CARS.

the Sleeping Detective Chains Him to His Seat.

Cheyenne, Wyo., Aug. 19.-Albert Ecklund, alias George Johnson, who was captured at Rawlins and was be back to Chicago to answer to the charge of grand larceny, effected a remarkable escape from Detective Wm. shackled him to a seat in the smoking compartment of a chair car. While released himself and then shackled the the challenger had not been permitted other property, Ecklund left the train at person to prove that he was not a prisoner, the trainmen would not release have always wanted to see her do her him. The railroad authorities telegraph- best." ed to Chicago for instructions and when the train reached Sidney, Marsden was finally released from his predicament.

THAT DOUBLE TRAGEDY.

Opposition of the Family Led to the Killing.

Cleveland, Ohio, Aug. 19.-The names of the alleged murderer and his victim in last night's double tragedy were learned today. The man was William Leut-Martha Fachnrich.

The cause given for the tragedy is the lowed Pennsylvania, two girls trotted opposition of the family to Leutbecher's along, keeping company with their fa- attentions to Martha. Miss Facharich thers. One wife also accompanied her was a clerk in her mother's grocery store Jerry Stuntz of Pasadena, a and it is supposed that Leutbecher called believed that Leuthecher shot Miss Fae

KILLED THE DEALER. Ordered Hands Up but Didn't Wait

for Obedience. Bisbee Ariz, Aug. 19.-Last night tw masked men entered the St. Louis beer hall and demanded the occupants to throw if their order was obeyed they began shooting, killing the roulette dealer, Schmidt. Some of the men in the saloon returned the fire and theh robbers fied without any booty. It is supposed they showed. This made the length of the topcrossed into Mexico and a posse is now

READY FOR

Many Quarters.

YACHTS READY TO SAIL

Both Sides Confident but Odds with Reliance.

New York, Aug. 13 .- Over the ocean Shamrock III will tomorrow try concontest for the blue ribbon of the sea. rules have been laid down to prevent any interference by excursion boats. Like Greyhounds in leash the big racers

are moored tonight inside Sandy Hook ready fr the fray tomorrow, Both were given their final trial spins today. Despite the big time allowance which the defender must concede to the challenger, the friends of the Reliance are extreme ly confident that Sir Thomas is again doomed to defeat, and the confidence in the American boat is reflected in the betting, where the odds are two to one Reliance. The friends of the British bott, on the other hand, profess the greatest faith in the ability of Fife's creation to "lift the cup." neither of his previous attempts to carry of the precious "mug" did Sir Thomas sail on a challenger. Tonight he is in doubt whether to sail in the challenge tomorrow. His friends on the Erin urged him not to do se for fear of an accident. According to the rules, the first race will be fifteen nautical miles to windward of Reward and return, depending upon the direction of the wind. After that each alternate race will be over a triangular course, 10 miles to the leeward. The next race will be sailed on Saturday and the third next Thursday and thereafter every other day until the series is completed. The winner of three out of five will be the winner. According to the rules, if the course is not covered within the time allowance, five and a half

In reply to a question whether or not

Sir Thomas added jokingly: good wishes and hoped t ohear that the Shamrock III had won by a length Other messages came from the Durban vachting club of South Africa, the vacht racing association of Perth, Western Aus-

tralla, the Royal Yacht squadron of New Zealand and from nearly every vachting club in Canada. Among the notables who will probably be guests of Sir Thomas on the Erin during the reces are Adjutant General and U. S. A. Hon. Charles Russell, Capt. Brownson, commander of the naval academy; Gen. and Mrs. Vhaffee, Mr. and Mrs. John D. Crimmins, Mr. and Mrs. T. A. Edison, Mrs. Jefferson Davis Haves, Mr. and Mrs. John N. Flagler, Senator and Mrs. Kearns of I'tah; Gov. Odell, Lady Sweetenham, wife of the governor of the Straits settlement; Commander Isam T. Takeshita of the Japanese navcy, former fleutenant governor Woodruff commander John G. Cameron and Captain McKinstry of the Teutonic. New York, Aug. 18.-It was announce C. D. Mower, the official measurer had lenger. Shamrock III, off Sandy Hook today, and as a consequence the challenger

the sail area. The new measurement brings the racing length of the Sham-rock lil down to 104.4 instead of 104.77, equal to a time allowance of 12 seconds

ISSUES A STATEMENT. General Conusel Says It is Not a Re-York, Aug. 15.-William Nelson

fromwell, general counsel of the Panama "I have just received from my sep-

resentative at Bogota a cablegram dated the 14th instant, reporting that the Coombian senate, on the evening of the 13th, appointed a committee of three senafors to come to an agreement with the house of representatives for the purpos of proposing a bill authorizing the government of Colombia to make a treaty in a form approved in advance by both

"This confirms the statement which made on Monday concerning the supposed rejection of the treaty, namely that the action was not a final disposi tion of the treaty.

"I have also received further cables stating that the report of the committee of the Colombian senate was signed by seven out of nine members of the com mittee, and recommended the approval of the treaty with certain amendments, which further confirms my judgment that the action of the 12th inst. was only against the treaty in the particular form submitted, and did not at all indicate the termination of the treaty negotia-

"As Colombia is bound to the United States by what I consider an international compact (by which it is obligated to the making of a satisfactory treaty), as well as by its own supreme interest, I have never doubted that Colombia would fulfill its high duties in that regard and every reasonable expectation of this government. This action of the Colombian congress, therefore, justifies

ADJOURNED

SEATTLE CONGRESS QUITS WITH LITTLE CEREMONY.

Threatened Street Railway Strike Clears the Hall Instanter.

Seattle, Wash., Aug. 19.-The proceedings of the second day's session of the trans-Mississippl congress were broken off with a jar this afternoon when John Henry Smith of Utah, who was presiding temporarily, raised his hand for order and announced that the women in the hall had better hurry to the city for there was a rumor that the street car men were going out on a strike at 4 o'clock in the af-

Five minutes later the hall was cleared. not only of women, but men as well. Thurman G. Palmer was in the middle of an able paper telling about the Philippines fhen the announcement of the pos sible strike was made. Before the hall was entirely deserted, one man had the presence of mind to make a motion to adjourn, but no one stayed long enough to vote on the question. Mr. Smith de-clared the motion carried any way. Though official action has not yet been taken it is generally understood that the nexxt session of the congress will be held in St. Louis during the world's fair. Richard C. Kerens, the Republican leader of Missouri, was president for next year.

A. L. Black of Whatcom, Washington Walter Gresham of Galveston, who was presiding over the present congress, was selected as second vice president; Hon. When asked for a prophecy of tomor- John Caulfield, of St. Paul, third vice president; C. B. Booth of Los Angeles fourth vice president; George R. Harrison of Kansas City was reelected as treasure and Arthur F. Francis of Cripple Creek. Colo., was reelected secretary.

The union has decided to await the re turn to the city of President Furth of the Seattle Electric company who has promised to arbitrate the differences between about ten days from the Yellowston

GIVES DAMAGING EVIDENCE

Says Chandler Told Him the Mine Would Be Blown Up.

Idaho Springs, Col., Aug. 19 .- At the hearing of Napoli and Carbonetti, Italian members of the miners union who are charged with complicity in the Browing up of one of the buildings of the Sun and Moon mine last month a sensation was caused by the evidence given by William Bate, a union miner. He declared that H. E. Chandler, financial secretary of the union, told him some time before the explosion that a commit tee, consisting of Napoli. Carbonetti and the time the building was blown up, had been appointed to blow up the Sun and some time before the explosion and the officers have been searching for hm.

WILL GO TO THE HAGUE. Venezuelan Question Will Come Before the Arbitration Board.

Paris, Aug. 19.-It was learned here to day that the recent appointments by the exar of Hussia of M. Mouriavieff, the Russian minister of justice. Dr. the Swiss minister at Paris, and Professor Matzen of Copenhagen, all members of the international arbitration committee Mrs. Corbin. Paymaster General Gates. Venezuella and Great Brittain, German and Italy in their claims for preferential treatment, were the result of energetic Choate and Mr. MacVeagh, senior counsel for the United States in the Venezuelan

Until last week when the state department authorized Macveugh to cooperate with ambassador Choate to induce Great Britain. Germany and Italy to request Russia to name arbitrators, it seemed that these cases would fall to be heard on September 1, the date set for hearing Mr. Macveagh will be joined here by Judge Penfield and Minister Bowen and will proceed with them to the Hague.

NEGRO LEAGUE MEETS.

Booker Washington Makes an Address and is Re-elected.

Nashville, Tenn., Aug. 19.-Some 1500 negroes, representing almost every section of the country, assembled in the house of representatives at the state capitol this morning, the occasion being the opening of the fourth national convention of the national negro business men league. Booker T. Washington, thhe Alabama educator and president of the over the vessel again today he found that league was the central figure of the meeting and his address tonight drew a

That Has Been the Rule in Most Inventions

THERE ARE WAR SECRETS

in Patience.

Washington, Aug. 19.-Prof. Langley, secretary of the Smithsonian Institute. whose experiments down the Potomac river with the aerodrome, or flying machine, devised by him, have attracted wide public interest in order to correct certain public misapprehensions today issued the following statement:

"Smithsonian Institute, Aug. 19.-To the Press: The present experiments being made in mechanical flight have been car ried on partly with funds provided by the board of ordnance and fortifications and partly from private sources and from an endowment of the Smithsonian Institute. The experiments are carried on with the approval of the board of segents of the Smithsonian Institute.

to an unfounded expectation as to their immediate results, without an explanation which is here briefly given. "These trials with some conducted with

steam driven flying machines, are believmechanical means.

been reached after initial failures, which alone have taught me the way to it, and I know no reason why prospective trials should be an exception "It is possible, rather than probable,

ing them from the light of past experince, it is to be regretted that the enforced publicity which has been given to these initial experiments, which are essentially experiments and nothing else, may lead to quite unfounded explanations. "It is the practice of all scientific men, indeed of all prudent men, not to make public the results of their work till these are certain. This consideration, and no any desire to withhold from the public matters in which the public is interested. has dictated the policy thus far pursued The fullest publicity consistent with the national interest (these recent experiments have for their object the deelopment of a machine for war purposes) will be given to this work if it reaches a

HE HANGED HIMSELF.

Jailbreak, Is Dead. Canon City, Colo., Aug. 19.-James Armstrong, the convict who led the recent ted suicide by hanging in his cell last night. He arranged a dummy in his cot. and his body was not discovered for the employes. Mr. Furth will return in some hours. He made a noose from a piece of electric light wire. Armstrons vas considered one of the most desperate criminals in the west, and was wanted in Utah for murder. He was serving a

Postal Treaty Between Cuba and America in Effect.

Washington, Aug 19.—The postmaster general today signed the protocol to the postal treaty between the United States and Cuba, made necessary by the amendtreaty becomes effective without ratification by the senate of the United States, but the Cuban laws require the action of the senate of the island, and one of the amendments made embraces a statement of that fact. Another provides for the prompt transmission of the mails of one ountry by the other, subject only to samitary regulations. These alterations are specified in the protocol, and they have en accepted by the postal authorities of this country. The treaty will now be forwarded to the president for his signature. The treaty perpetuates the regulations for the exchange of mails between the two countries which were made while

WORK IS RESUMED.

Cripple Creek, Colo., Aug. 19.-Work on the drainage tunnel, which was almost completed when the miners went on a the provisions of the Lengtey tariff act trike last week, was resumed today, 110 which gave authority to the president to on-union men being employed. HAS RECORD

Paces a Mile in 1:59 at Brighton Beach.

CLIPS OFF A QUARTER

Star Pointer Had Done the Trick in 1:59 1-4.

CHEERED TO THE ECHO

Excited Spectators Watched the Event Closely.

New York, Aug. 19.-Dan Patch broke the world's record today for pacers by pacing a mile in 1:33 at Brighton beach today. It was a most magnificent performance and seemed an impossibbility,

There was a stiff breeze blowing which struck the horses fairly in theh face. The track was a little slow, but the effect of less. It is giso stated that there is \$200,000 runner in front while the second funner made that he would go against the track record of 2:00%, but would also try beat the champion record of 1:10 1-4, held since 1897 by Star Pointer.

When theu nbeaten pacer, for Dan the track he was loudly cheered and after a few preliminary warm up he get the With a swift, frictionless stride he shot from the wire and seemed to be determined to push his nose flying sulky in front of him which the thoroughbred in the shafts was steadily pulling along. On sewept the pacer to the quarter in 25 1-4, and when the half mile pole was flashed past in 55 3-4 a great volume of cheers from the vast crowd. Then came the difficult top turn, and the slowest quarter of the mile ensued, thhe three quarters being done in 129 1-4. But down the stretch as swift and steady as a locomotive he came, and as he shot under thhe

wire the watcher stopped at 1:36, ressed and looked as if he will be able before the season is over to heat his own record. The betting was even money either for or against his beating the

DEBOE A WITNESS.

Takes the Stand in the Caleb Powers Case. Georgetown, Ry., Aug. 19 .- Former

United States Senator Wm. J. Debne took the witness stand for the defense in the Caleb Powers case this afternoon. He mit another proposition to the senate, said that he went from Washington to What this new proposition is Dr. Herran Kentucky on January 18, 1906, and stopped at Frankfort to see Governor Taylor. He went on to Louisville and attended James Armstrong, Convict Who Led a canal bill introduced empowering the the Galt House meeting of leading Hepresident to negotiate and ratify without publicans, at which the contest was fisubmission to congress a canal treaty nally discussed. Taylor never informed with this country, the general outline of him of his purpose to have a mountain fore the congress.
